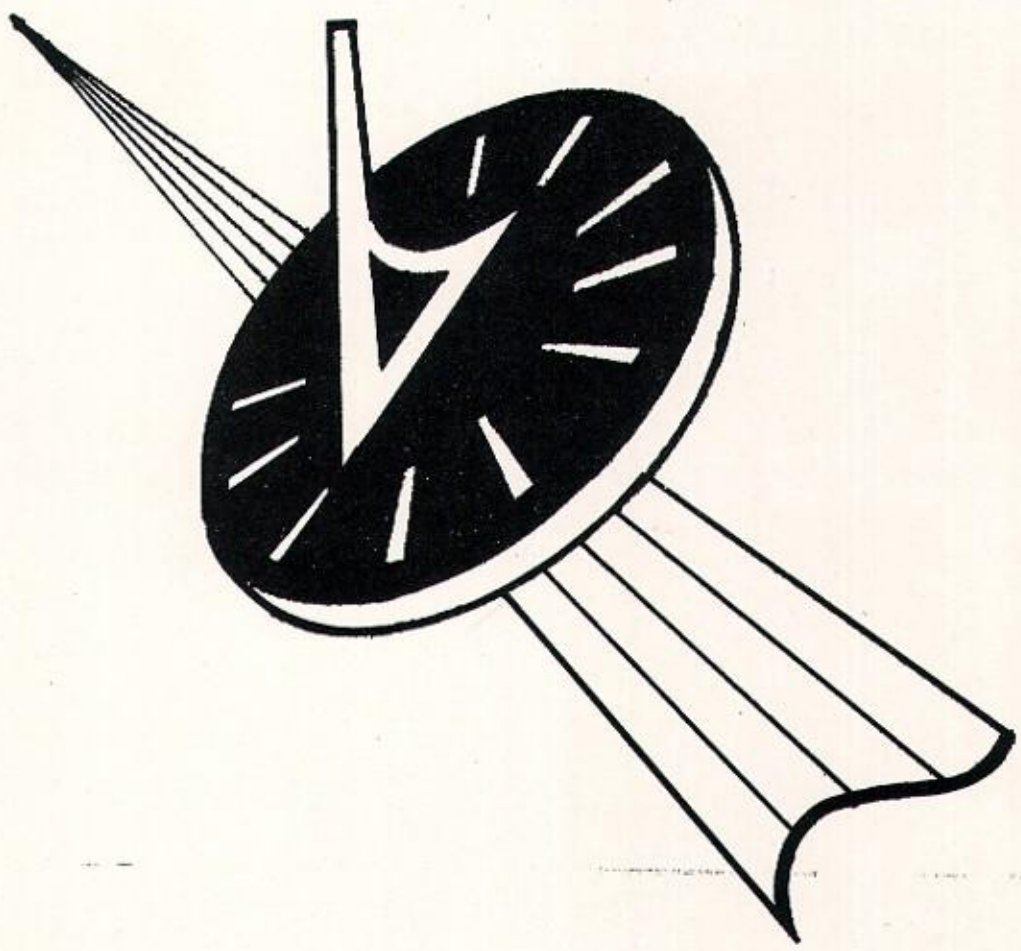
THE 1966 CUTLASS



Published by the Annual Staff

TWO RIVERS HIGH SCHOOL

Nashville, Tennessee

> To every thing there is a season, and a time to every purpose . . .
>
> Ecclesiastes 3:1

To be able to find the time and opportunity for all things is an accomplishment rarely achieved by any of us. Even the most time-conscious will often find himself in a state of confusion with things needing to be done - and no time in which to do them. Yet, as we all realize, our individual lives are each composed of varied time periods which we ourselves create.

However, during our development into mature young adults, there are experiences which should be shared by all in order to render us more responsible citizens in the future. To find the time to stop and reflect, to observe and contemplate, and to think and initiate those ideas fundamental to individual character revelation are basic in everyone's development.

Therefore, in this, the 1966 CUTLASS, we have attempted to capture, for the entire student body, the times we have jointly shared during this past year. At the same time, we have tried to re-create for the senior class, the first one to complete six years of study at Two Rivers, those times which have highlighted their final year.

DEDICATION

We members of the 1966 CUTLASS staff wish to express our appreciation of the contributions made by one of the most well-known persons on the Two Rivers faculty. Her interest in the performance of students at Two Rivers has been equaled only by her concern for the future of each individual, and since 1960 her professional zeal and dedication have established and steadily improved the Two Rivers guidance program. Her assistance in student social activities has proved invaluable, while her influence on the ethical and academic standards of our high school is everywhere evident. In the years to come, when other memories fade, we shall not forget her friendly eyes and ready smile. For these reasons, it is our privilege to dedicate this, THE CUTLASS of 1966, to Mrs. James J. McGee.

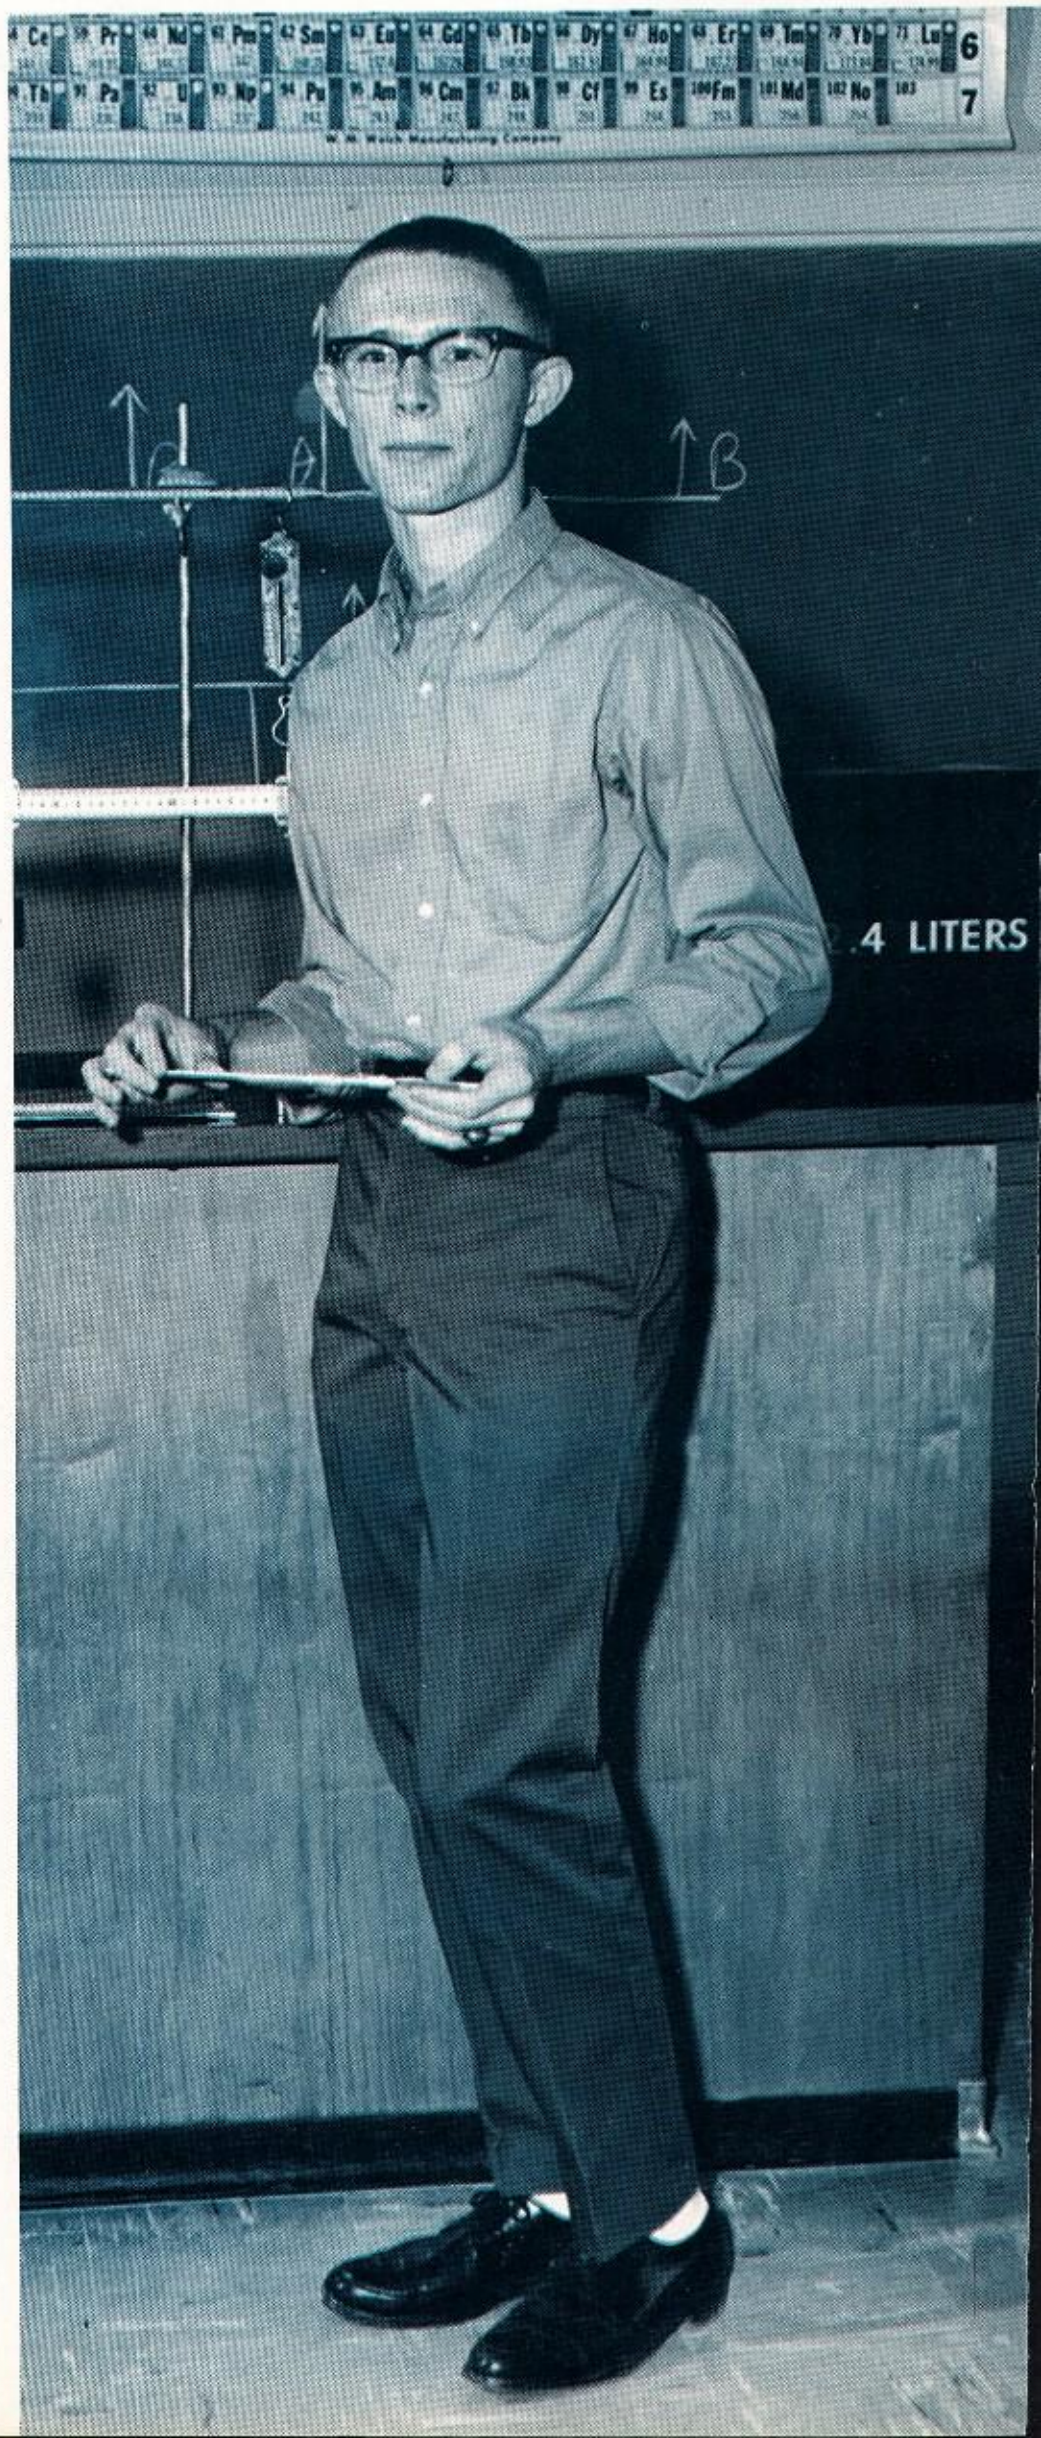
CLASS

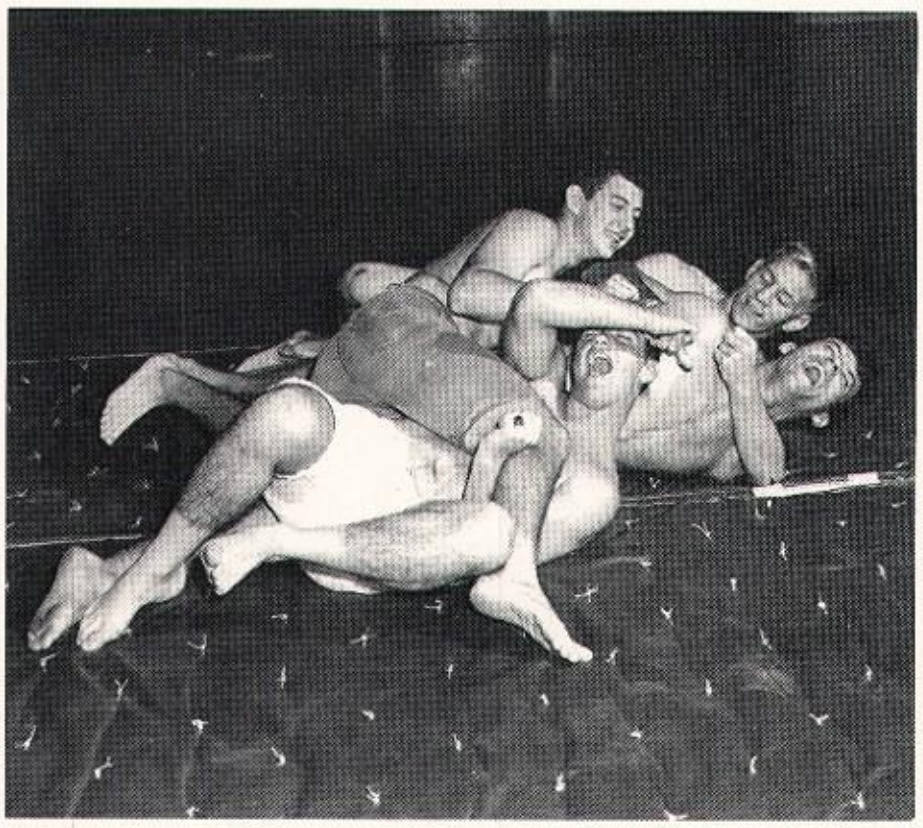
My Own True Love

A Time to Learn

The foremost purpose of any school is to prepare its students for their future roles in society. The use of this opportunity is essential for the basic patterns of learning are formed early. In high school the time for a well-rounded program of knowledge is stressed. Selected subjects, majors and minors, athletics, and student organizations aid in the realization of that final goal - graduation. And yet, graduation is but a threshold, across which lies a potential lifetime of learning.



A Time to Play



Football, wrestling, golf, baseball, volleyball - which do you select for a time of play? Perhaps your choice is the climactic basketball game with that big rival, or is it just a fast game of tennis on a Saturday afternoon? Naturally, each individual will differ in his choice because each person has a different competitive nature and range of physical abilities. But, regardless of the choice, a time to play is required by everyone to relax and to enjoy the fun of being one's own self!

A Time to Be with Others

Aside from the daily routines of classes and homework, each student requires a time to be with those of his own age. It is during this period that friendships which may be carried outside of school life are developed. A short chat in the halls, a Friday night at Pirates' Cove, or a date to the Prom with that "special" someone - each provides an opportunity for teenagers to get together, to laugh, and to enjoy growing up!

A Time to Be Alone

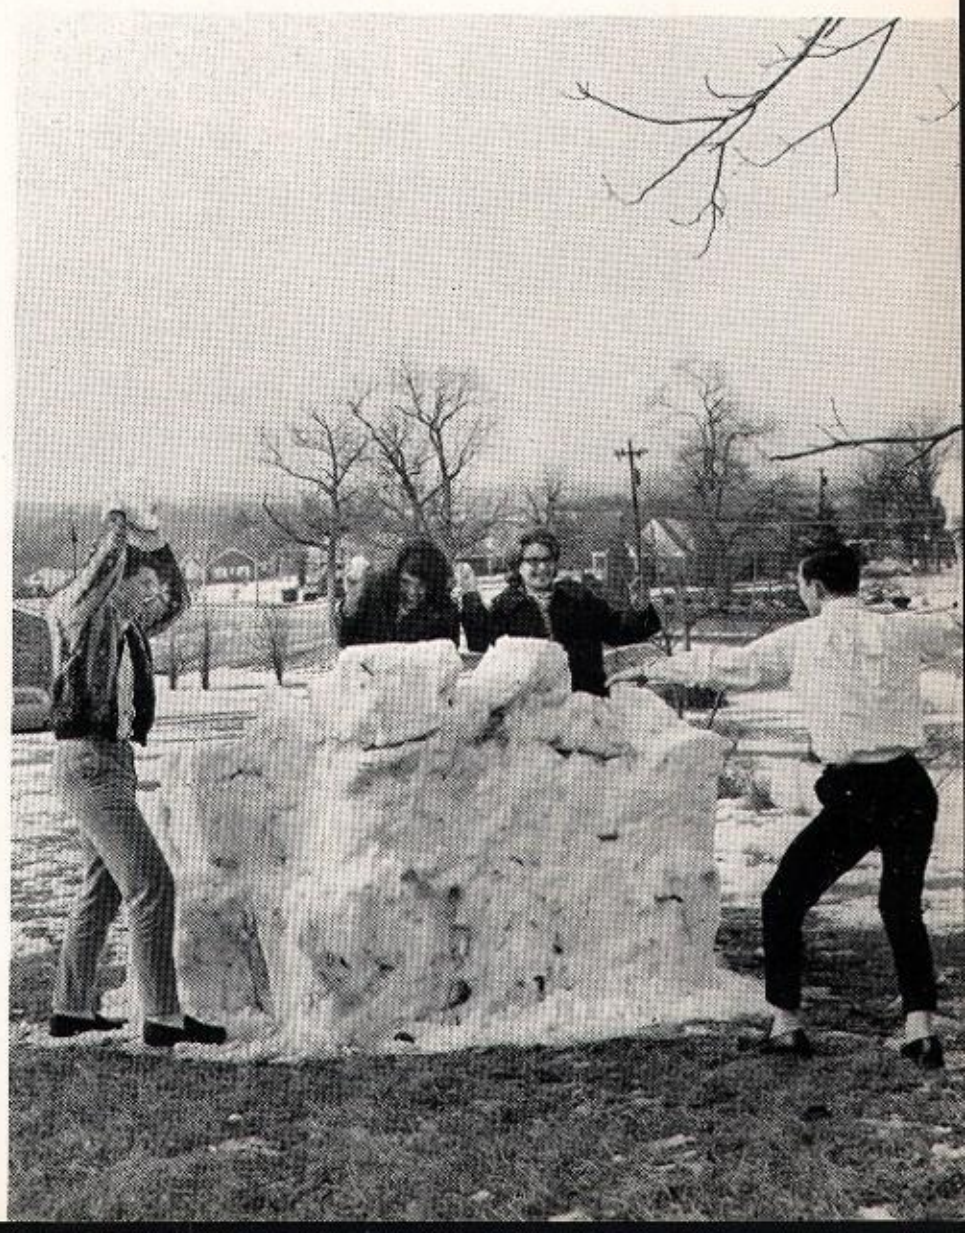
There is a time to break away from daily routine and to seek out the individual within one's self. Aspired dreams of the future and conflicting realities of the present are pondered in innermost thoughts. Reflections of lives touched in the days past serve as guidelines for meditation. This is the time during which one organizes those thoughts that will distinguish him as an individual. Contacts with others are indeed important, but more important are those contemplations which come during the time one is alone.

A Time to Observe

Observation now will be important later, as a person carries out daily responsibilities as well as those special tasks which are assigned him in life. By observing others, the student can gain good ideas to be filed for future reference, and discard those mistakes which are made, thus avoiding repetition of the same errors. Such observation will enable a person to do his part in preserving the American way of life for those who will someday observe his participation.

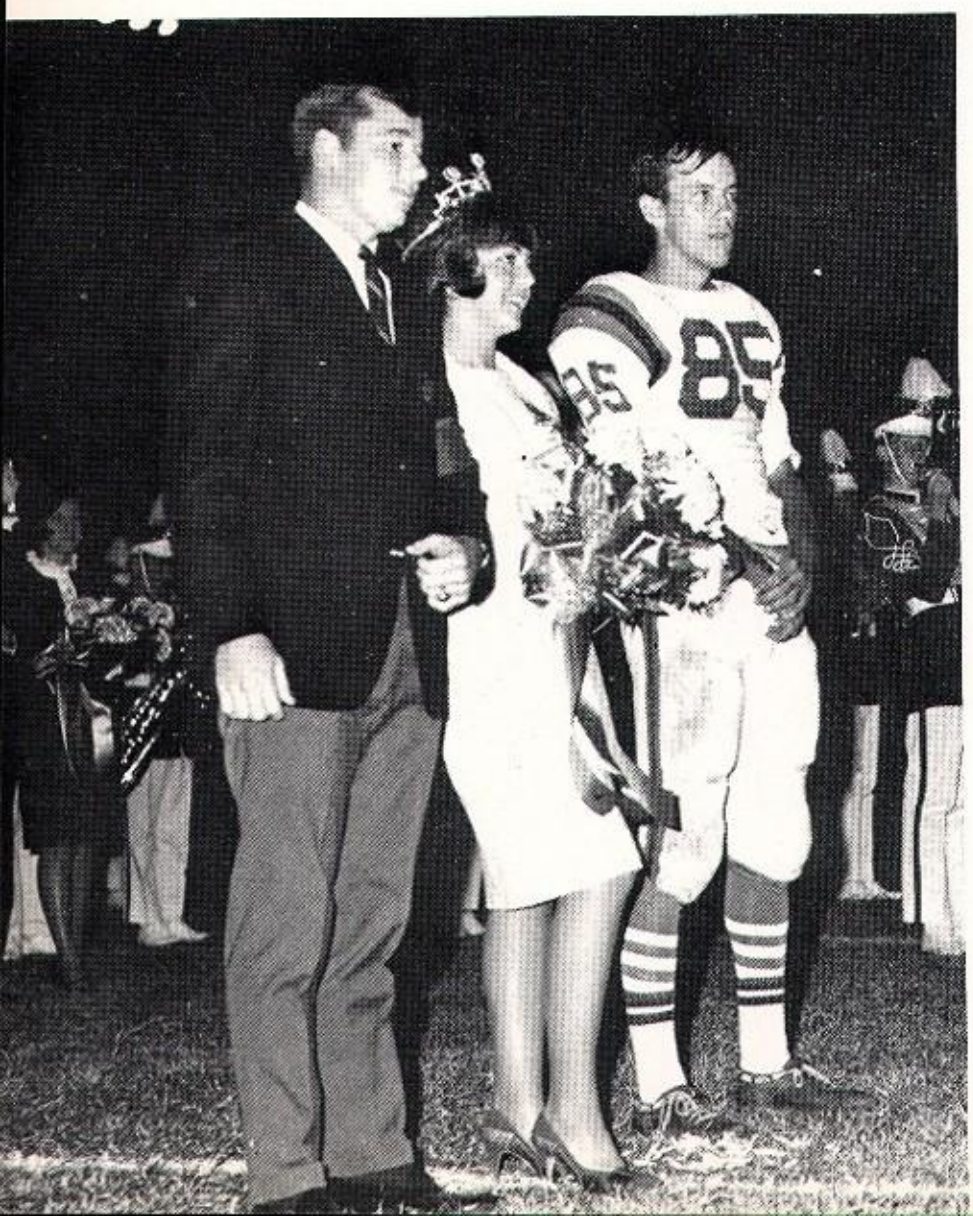
A Time to Participate

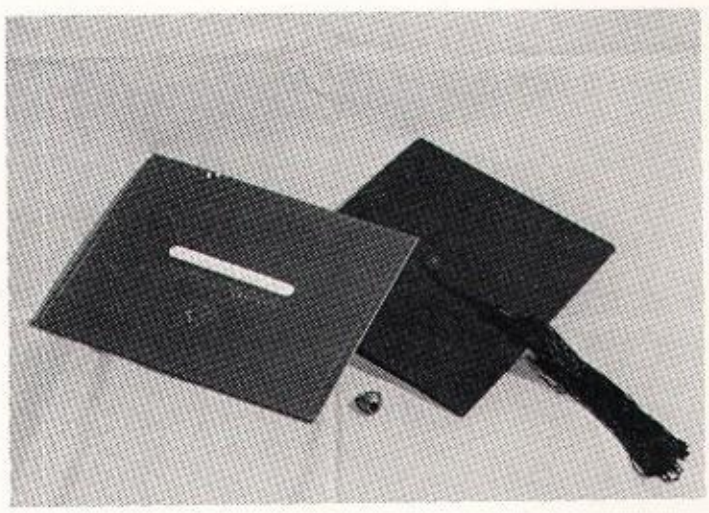
Participation in school projects and activities can be unforgettable experiences in any high school student's life. Classes, service and interest clubs, and the student council provide opportunities for the active student who is eager to improve himself, his school, and his community. This year, in addition to the annual student council's plans, several of the clubs undertook special projects during the Christmas season. Many other service organizations have contributed to Two Rivers' growth during the entire year by consistently giving of their time in an effort to develop themselves and to strengthen the total program of Two Rivers.



A Time to Remember

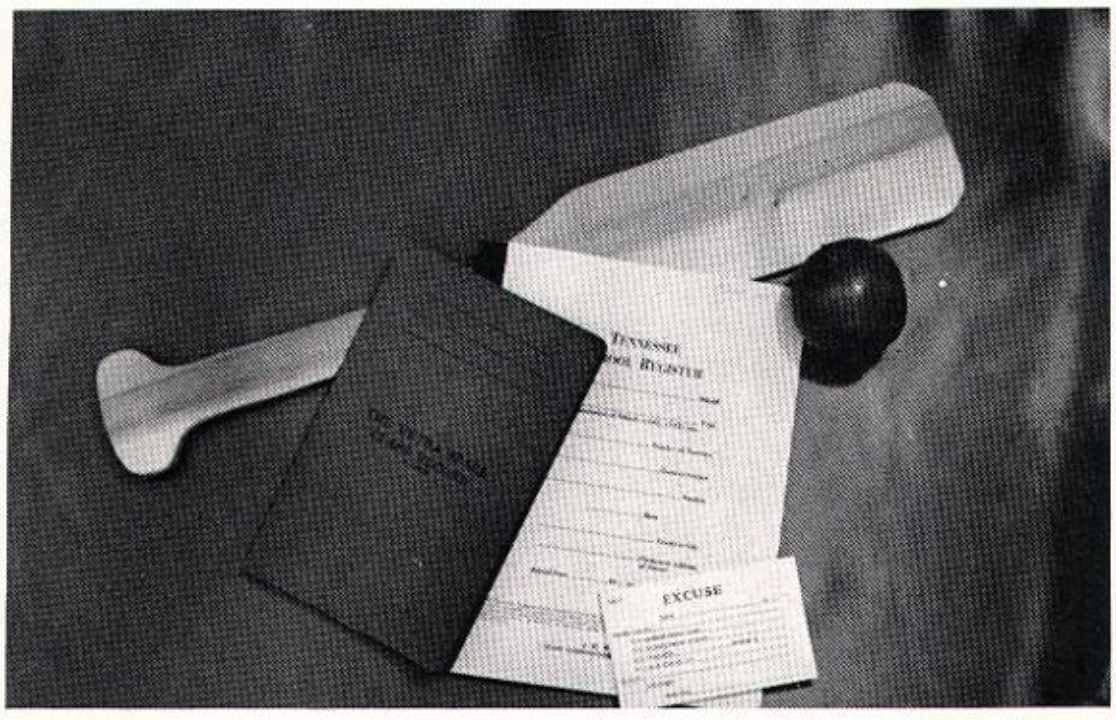
What do you recall most vividly about this past school year? For the members of the Senior Class, there will be many reminders. Mr. Bates' science classes, ACT tests at A&I, AA championships and bowl games, Prom decorations, Friday night parties - these they will remember and relive upon the receipt of their diplomas in a few days. But, more importantly, most seniors will remember the relationships, begun six years ago, which have matured and developed into lasting friendships. For, although the material realities of high school will soon be terminated, the intangible memories of friends, faculty, and fun will be carried by all to the outside as they take their leave of Two Rivers High School.





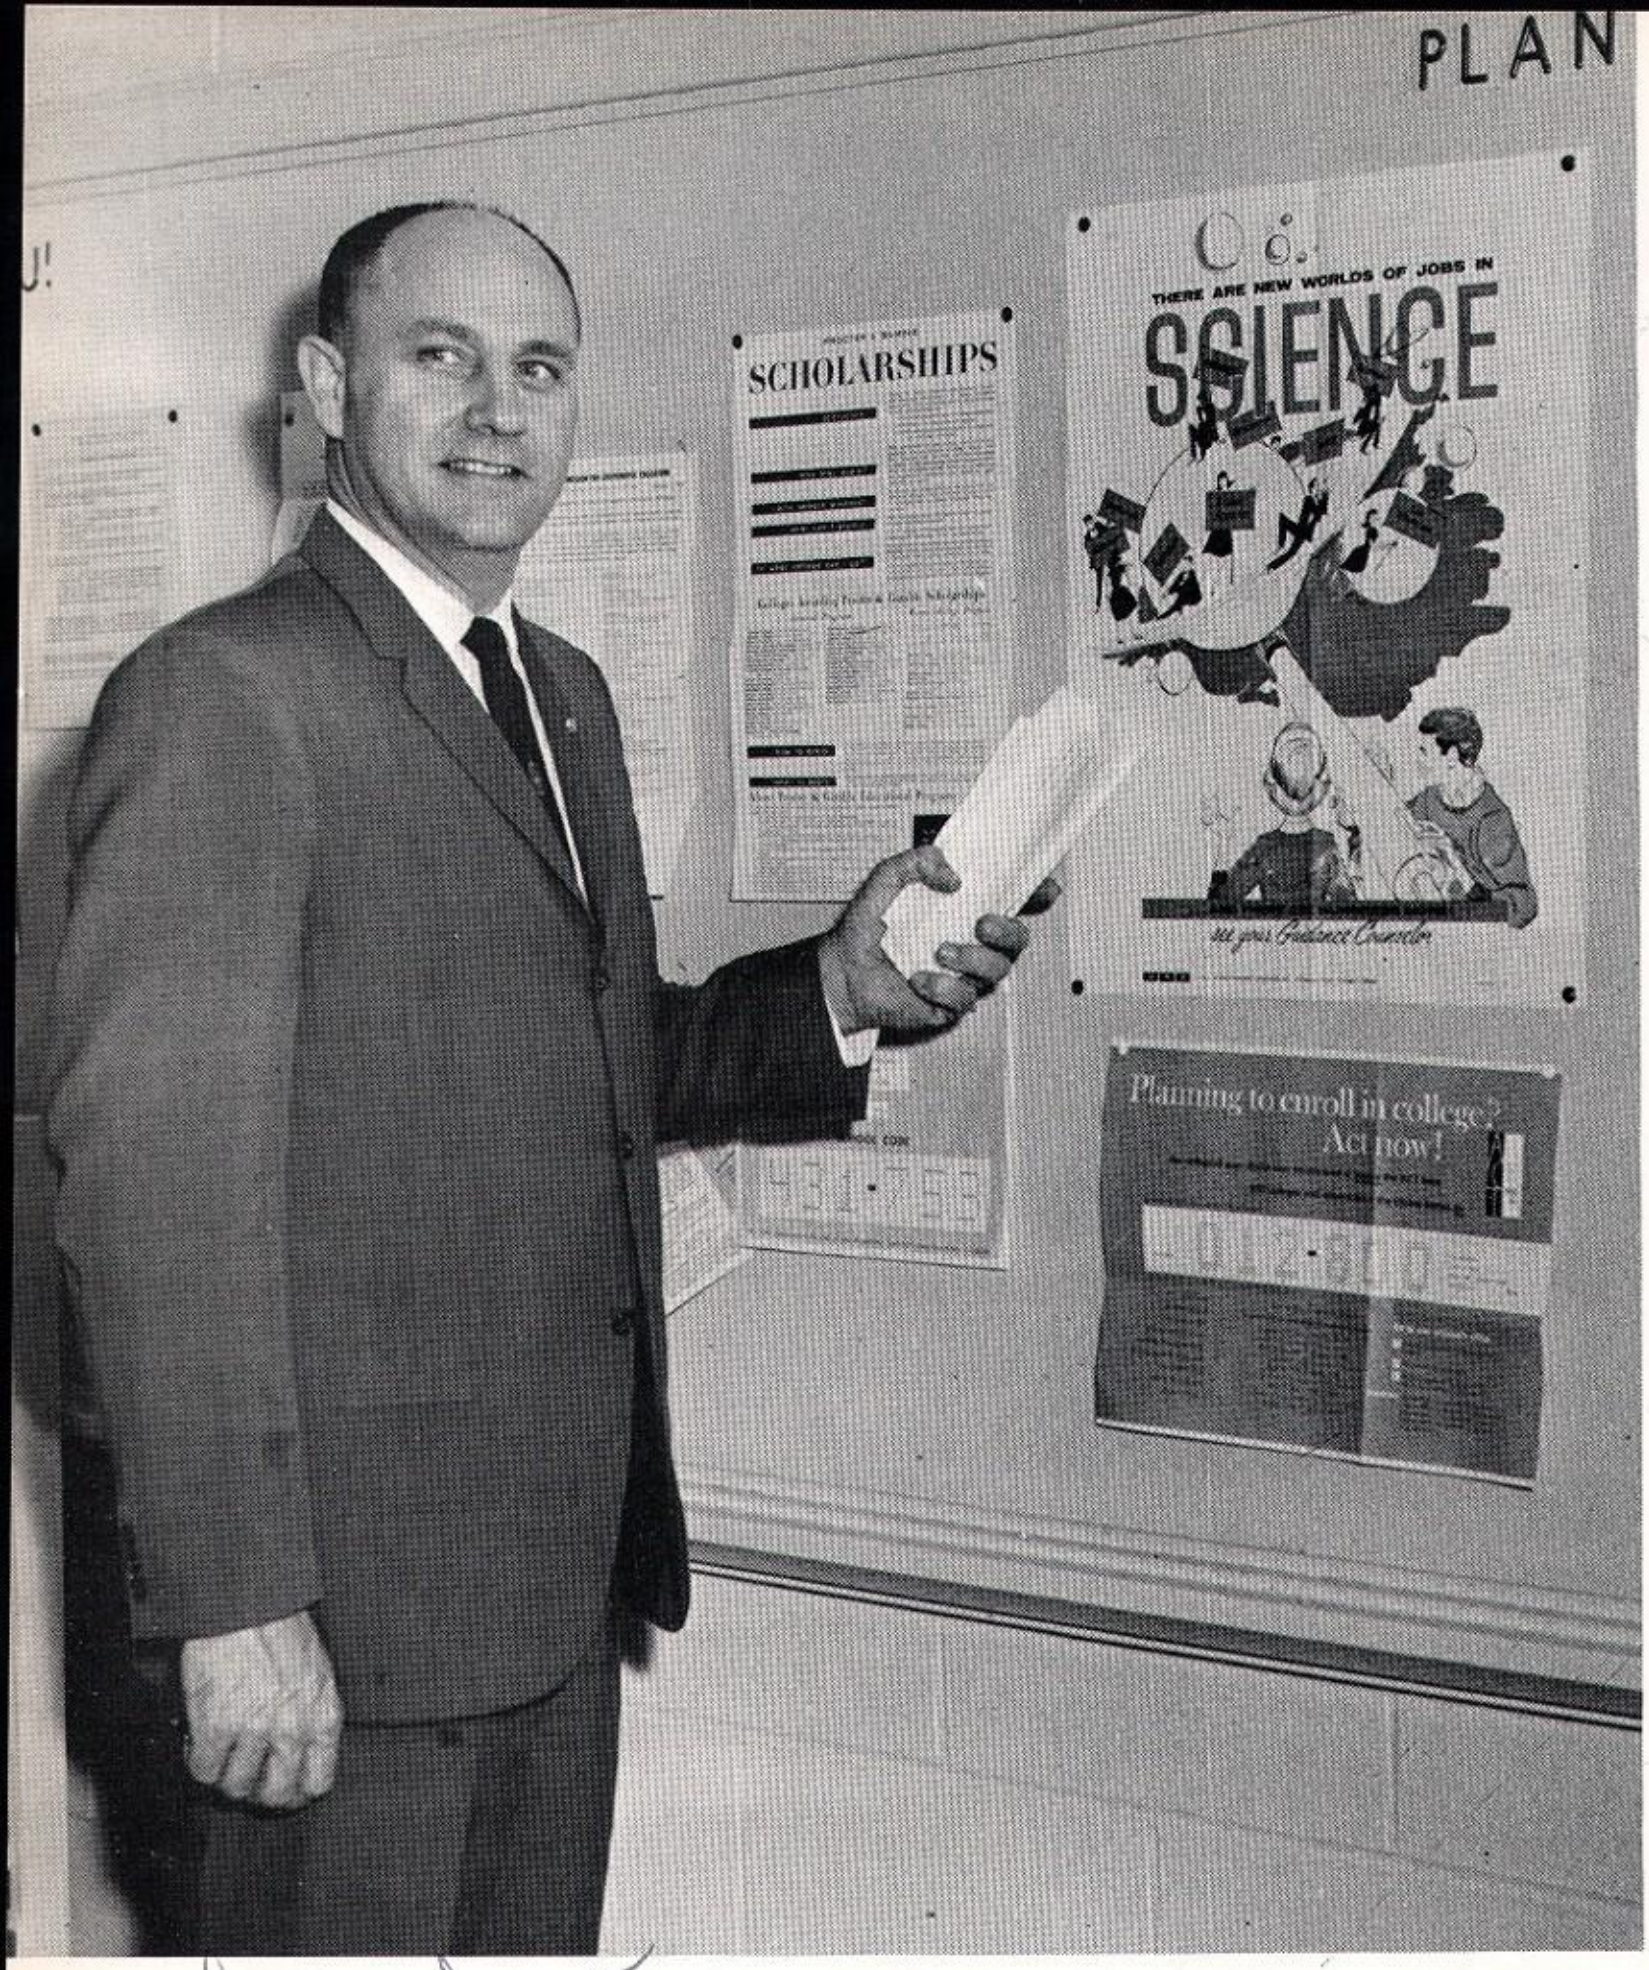
A Time to Look Forward

There is always a time for all human beings to look forward. But late adolescence demands that the hopes and ambitions of childhood be formulated into sound plans and preparations. A child's cherished dreams now serve as a foundation on which to build a life. For some, a period of training is yet to come; for others, an immediate vocation awaits graduation. Come what may, the recognition of the importance of planning for the future is essential in the realization of life's highest goals.



EXCUSE

Administration



Principal

The persons who exercise the most influence and control in the molding of a school's character are its principal and assistant principal. In this respect Two Rivers is indeed privileged to have Mr. Chester A. LaFever and Mr. James Barrick to serve in these positions. By continually seeking new ways through which the academic, athletic, and extra-curricular programs may be improved, they are actively directing the growth of Two Rivers High School. The list of their fine qualifications is long, examples of their great understanding and

Assistant Principal

patience are numerous, and the esteem in which they are held is of the highest nature. Their many years of experience in the field of education have provided both men with the insight needed in coping with the problems faced in everyday high school life. For these reasons the members of the present graduating class at Two Rivers would like to express a special thank-you to both Mr. LaFever and Mr. Barrick for the confidence which they have shown them during their high school years.

A personality familiar to all students since their very first day at Two Rivers is that of Mrs. Richard S. Davis. This attractive lady is known for her composure throughout the confusing days found in a large high school. This, with her quiet, efficient office manners, has won her the respect and admiration of the faculty and students of Two Rivers.

With the responsibilities of such a large, and still growing, school, one person could hardly meet all the demands made during the day. Therefore, we are fortunate that Mrs. Thomas L. Miller has joined our office staff to share these responsibilities. Willing to help in any way possible, Mrs. Miller is truly a welcome addition to our school.

Working with these ladies are the office assistants. These girls have a greater responsibility than one might realize. Countless errands, odd jobs, and other helpful services keep them on their toes. Although little recognition comes their way, their help is greatly appreciated by all.

Senior Class of 1966

1966 brought approximately two hundred young men and women closer to the realization of their life goals. By taking SAT and ACT tests, by filling out college forms, and by contacting and discussing potential positions with various business firms, seniors actively planned their futures. As Two Rivers High School's first class to complete the full six year course of study, the groups expectations of "big senior" status were not disappointed. Senior rings in the fall, the Senior Ball at Christmas, measuring for caps and gowns in the winter, and the senior play in the spring are but a few of those memories which will be recalled many times in coming years. To highlight the traditional phases of the big year are memories of the AA championship and the Metro Bowl game, the great school spirit in pep meetings inspired by the "senior stick", and the swinging times at ever popular Pirates' Cove. But even as seniors participated in all of these activities, there was one persistent thought in the mind of each individual. Late spring made this thought reality, as final preparations were finished for the annual closing ceremony of the school year. What were the thoughts that would be clearly expressed in the faces of two hundred young people as they accepted certificates of their achievement? They were those of a firm foundation, lasting friendships, good times, and the responsibility of mature men and women.

Our First

The lights were dimmed, the fragrance of the honeysuckle filled the air, and as the music of "My Own True Love" floated across the lawn of the Hermitage, the dream of months became the reality of the first Junior-Senior Prom at Two River. Seniors and their dates, entering through a rosecovered trellis, were presented as they crossed the front lawn of the stately mansion. The Hermitage itself, looking down upon the whole scene, stood grandly as light from the moon bathed its white columns and as a soft spring breeze rustled the leaves in the trees surrounding it. The one-horse buggy, waiting at the entrance to the plantation, stood opposite Mr. Jackson's home and it was there that Prom photographs were made. Atop the second tier, a hugh flatboat floated lazily down the Cumberland River. It was complete with a sentry in buckskin who fired his shotgun to signify the beginning and end of the dance.

However, this garden wonderland was not created overnight; rather, it was after many hard months of bake sales, car washes, and daily penny contributions that the Junior-Senior Prom began to materialize. Under the expert direction of the Junior Class sponsors, Mrs. Katherine Jamison and Mr. Bob Hollingsworth, plans were discussed, designs were presented and approved, and at last, construction was begun.

After a week of missing classes and working constantly, the Junior Class finally errected the magnificent replica of the Hermitage, and put the final touches of Old South on the setting. Truly all who attended shall remember forever the charm of that evening and the majestic grandeur of "My Own True Love."

Junior-Senior Prom

Our First

A thrilling performance by a championship football team, gay pageantry, entertainment by an award-winning band, excited spectators cheering Two Rivers on to a 38-12 victory over North High School--and all this climaxed by a celebration dance. Yes, October 29, 1965, was a memorable day for Two Rivers as she presented her alumni with their first Homecoming.

The half time activities were headed by a procession of convertibles carrying the queen, her attendants, and their escorts. First to enter was the sophomore attendant, Suzanne Langford, escorted by Randy Waller, and followed by the junior attendant, Judy Cathey, escorted by Clay Jones. The senior attendants and escorts, Julie Lane and Eddie Davis, Nancy Pewitt and Pat Brumfield, directly preceded the lovely queen, Brenda Faye Hill, escorted by the football co-captains, Dwight Cauthen and Larry Von Boeckman. The queen wore a stunning white wool suit, accented with brown accessories, and was presented with a bouquet of silver mums and the traditional kisses during the crowning ceremonies.

The game was followed by a victory dance in the gym where music was provided by the Squires Combo--a funfilled end to a totally exciting evening!

CHRISTMAS IS EV...

There is no other day of the year like Christmas. In every Christian country of the world it is the most important and meaningful holiday of the whole calendar year. Commemorative of the birth of Christ, it is also the anniversary of a new age, the era of Christianity. Christ's birth is celebrated annually from one end of the world to the other in churches and great cathedrals, and in the homes and hearts of the people.

Although the true meaning of Christmas is its religious observance, there are customs associated with this holiday's celebration that have been grafted on from pagan times—ancient customs that have survived the age in which they were born through continuous practice by the people.

lass officers of 1965-66 were elected the week of 11. Each of the following officers has received nsibility of leadership of his class. Their class- ave elected them because of the belief that these people will carry out their jobs to the best of their ability. Throughout the year the officers will represent their respective classes and will help guide them in several activities.

Senior class president is well-liked Bill Langford. Bill is one of Two Rivers' star baseball players and is president of his homeroom. Bill is also one of our favorite WKDA "good guys". Joe Cathey, who plays defensive back for the Pirates' foot- vice-president of for

CHRISTMAS IS EVE

There is no other day of the year like Christmas. In every Christian country of the world it is the most important and meaningful holiday of the whole calendar year. Commemorative of the birth of Christ, it is also the anniversary of a new age, the era of Christianity. Christ's birth is celebrated annually from one end of the world to the other in churches and great cathedrals, and in the homes and hearts of the people.

Although the true meaning of Christmas is its religious observance, there are customs associated with this holiday's celebration that have been grafted on from pagan times—ancient customs that have survived the age in which they were born through continuous practice by the people.

In Austria there is a beautiful custom which places emphasis upon light as a symbol of the eternal light God gave man in the Christ Child. Three large wax candles are especially prepared for this ceremony in the home. The first candle is lit just before Christmas dinner. The second is lit Christmas Day, and the third on New Year's Day when the Christmas festivities end.

After caroling up and down the winding streets, firecrackers burst out announcing midnight mass in Formosa. An old Chinese mainland custom, this is also the time the people yearly

Clubs Plan Activities

As the busy season rolls

Beta Club

Sponsored by Miss Wiser, the Two Rivers Beta Club is composed of juniors and seniors chosen because of worthy character and creditable achievement in their high school work. All members meet requirements set in the newly established constitution, and were approved by our school faculty.

A service club, the Beta Club has been responsible for planting trees on the campus, as well as operating the school bookstore. A yearly activity all the members participate in is the annual state Beta convention. At the 1965 convention, Paul Baird, now president of the Beta Club, was elected to the office of State Beta Vice-President.

The local officers, as seen in the picture at the left, include:

Ted Keller . . . . . Treasurer
Claudia Cuzzort . . . . . Secretary
Paul Baird . . . . . President
Joe Kitchell . . . . . Vice-President

Forensic Club

One of the most active clubs during the past year has been the Forensic Club. This club had the distinct honor of becoming a member of the National Forensic League. an honor society for high school clubs. This status was won only after much competitive speaking by the Forensic members in Metro meets. The oratorical and extemporaneous presentations, debates, and drama in which members compete require much work and diligence, and offer the participants valuable experience in becoming effective speakers.

The Forensic Club is sponsored by Mrs. Peggy Welch, Mrs. Betty Welch, and Miss Latimer.

The Forensic Club is sponsored by Mrs. Peggy Welch, Mrs. Betty Welch, and Miss Latimer.

Officers, as seen at the right, are:

Debbie Nichol ..... Secretary
David Glasgow ..... President
Paulette Moore ..... Vice-President

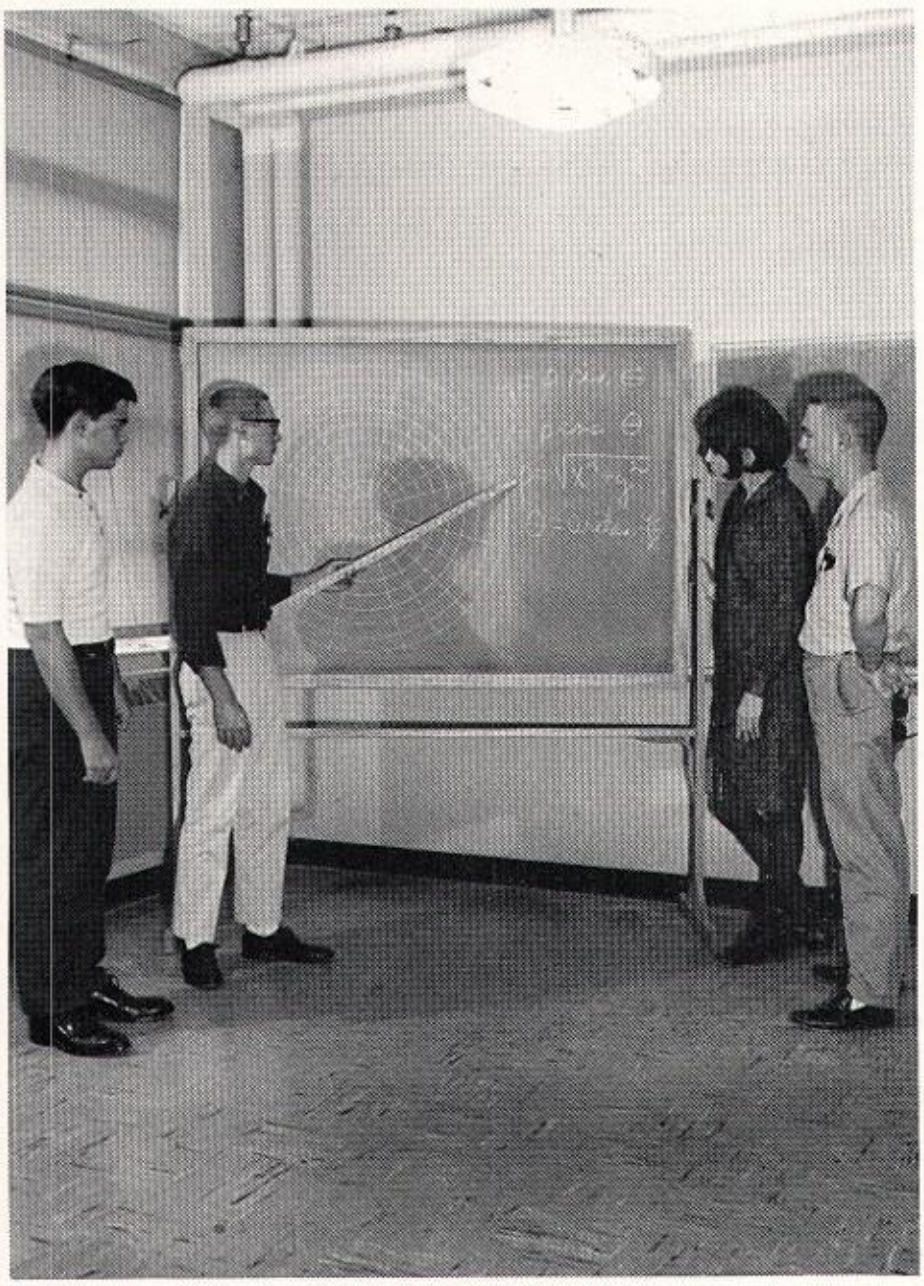
Science Club

To promote interest and increase knowledge in all fields of science, this club has had many activities. Films, field trips, and lectures by outside speakers have provided the opportunities for such a purpose. Experiments by the members with scientific apparatus have allowed them to gain skill in the science laboratory and to observe reactions of materials which cannot be used in regular classroom sessions.

An important activity of the science club was the sponsoring of the annual Two Rivers Science Fair. Members provided information and assistance in scientific work to other students. Sponsored by Mr. Bates, this club has enjoyed a most interesting year.

Seen working in the lab are officers:

Mike Griffin . . . . . Vice-President
Debbie Page . . . . . Secretary
Ted Keller . . . . . President



Math Club

The membership of this club consists of interested math students whose purpose is to stimulate an interest in mathematics, as well as to increase their mathematical knowledge. With this goal in mind the meetings have included field trips and speakers on subjects not covered in the regular classroom curriculum. Such activities as field trips to computer centers have served to make more interesting the basic principles of mathematics.

Officers serving this club, which is sponsored by Miss Wilson, are:

George Yost . . . . . President
Frances Paris . . . . . Vice-President
Gayle Greek . . . . . Secretary

Junior Science Club

Sponsored by Mr. Black, the Junior Science Club meets every second and fourth Thursday in Room 228. Hoping to gain a deeper understanding of the world in which we live, the members participate actively in the world of science that goes beyond classroom work.

This club was responsible for the joint sponsorship of the Science Fair in the spring.

The officers of this club are:

Lynn Wright . . . . . .President
Hugh White . . . . . .Vice-President

Junior Math Club

The Junior Math Club, sponsored by Mr. Baggett and Mrs. Humphrey meets every first and third Thursday in Room 122. The purpose of the club is to help members develop an interest in mathematical principles not included in the junior high curriculum. One of their many special activities is learning to use the slide rule efficiently. This is a newly formed club with twenty-two members.

The officers of this club are:

Mike Eaton . . . . . .President
Ricky Steed . . . . . .Vice-President
Suzanne Allen. . Secretary-Treasurer

Library Staff

The Two Rivers Library Staff performs a vital service to the school and students. Under the supervision of our librarian, Mrs. Jones, the members of the staff are responsible for the many seen and unseen activities of the library. Each student staff member gives at least five hours of his school week to servicing books--supervising circulation, arranging them on the shelves, or processing new and worn books. Another important service is the staff's work with periodicals and research materials.

Members of this group attended the annual convention of the Middle Tennessee Association for Student Library Assistants. During this time they learned the latest techniques and view numerous displays. In recognition of their service and assistance, members of the staff are awarded certificates, and later, pins.

Humanities Club

The Humanities Club was organized this year for students interested in reading world literature. Meeting with Mrs. Thompson and Mrs. Clark, members read for pleasure and personal enrichment. Studying such works of art as "The Odyssey", this group has been an interesting addition to the clubs at Two Rivers.

A special project undertaken by the Humanities Club was the sale of used paper-back books. This money was raised in order to purchase books for our school library.

Officers for this club are:

Martha Hoes ..... President
Sherry Roberts ..... Vice-President
Linda Vantrease ..... Secretary

Spanish Club

To promote a stronger appreciation of Spanish culture is the purpose of this club. One project planned to carry out this idea was the school assembly program presented in January. Another activity was the raising of money from various projects in order to add materials to the school language laboratory.

Sponsored by Miss Alley, members of the Spanish Club see films and learn Spanish games at their afternoon meetings. These extra activities provide educational fun and entertainment for all involved.

Officers serving the club are:

Doug Brown . . . . . Treasurer
Margaret Hardin . . . . . Secretary
Mary Frances Rudy . . . . . President
Sandra Cummings . . . . . Vice-President

French Club

Sponsored by Miss Garman, this club helps students become better acquainted with French customs and language. As their sponsor has studied in southern France, club members have the opportunity of learning first-hand information on the subject.

Learning French songs and games is one activity of the club. Another is the production of skits in the language. Reading PARIS MATCH, a French magazine, and studying the history and art of that country help members extend their knowledge of this gay and romantic culture.

Officers serving the club are:

Diana Logan . . . . . Treasurer
Betty Lou Smith . . . . . Secretary
Shirley Crouse . . . . . President
Betsy Mynatt . . . . . 1st Vice-President
Connie Shivers . . . . . 2nd Vice-President

Latin Club

A member of the Junior Classical League, the Latin Club serves to enrich the lives of members with further acquaintance with the classics. Meeting with Miss Moore, their sponsor, members planned a Roman Banquet, as well as a school assembly program. Especially interesting activities for some members were the Tennessee J.C.L. convention held at Vanderbilt, and the National J.C.L. convention held in Kentucky.

Before the Roman background are officers:

Frank Abbott . . . . . Historian
David Whiteley . . . . . Sgt. At Arms
Janie Granstaff . . . . . Secretary
Dickie Brown . . . . . President
Paulette Moore(not pictured) . . . .Vice-President

Future Teachers Club

The Future Teachers Club, sponsored by Mrs. Claxton and Mrs. Elizabeth Brandon, informs students about the profession of teaching. The members are able to test their skill by becoming "teacher-aides", that is, assisting teachers during an hour of their regular study hall period.

Meeting every second and fourth Wednesday of each month, members assemble with other Future Teachers chapters at one of these meetings. Another one of their outstanding projects was helping to make National American Education Week a big success.

The officers serving this club are:

Debbie Steed . . . . . President
Sandy Nabors . . . . . Treasurer
Nancy Pewitt . . . . . Vice-President
Judy Cathey . . . . . Secretary

Business Club

The membership of this club is dedicated to learning the practical aspects of business. Sponsored by Mrs. McCarter, the Business Club has twenty-five members who meet every second and fifth Thursday after school.

The club heard professional businessmen, as well as business majors from area colleges, as speakers. Field trips to corporations and places of business were also on the program for members interested in attending.

Officers of this club are:

President . . . . . Annette Duncan
Vice-President . . . . . Sharon Dixon
Secretary . . . . . Jean Ann Nunley

Red Cross Club

Sponsored by Mrs. Jordan and Mrs. Parks, this service organization fulfills many needs of the community. Members serve by doing work in local hospitals, day nurseries, and other goodwill industries. A feature project was the sending of gift boxes to children in Viet Nam. The work of this club promises many worthwhile services in the future.

The officers of this club are:

President . . . . . Donna Gebhardt
Vice-President . . . . Susan Beatchador
Secretary-Treasurer. . . Marsha Jordan

Audio Visual Club

This, as yet, little known club performs a valuable service to the school. Under the leadership of Mrs. Brooks, this new club has rapidly assumed a place of responsibility in the operation and upkeep of the school's audio visual equipment.

A total of twenty-two students has met regularly on the first and third Thursday of the month to watch movies, learn new techniques in operation of equipment and hear special talks given by professional men. One can see that this is an extremely active club to be so young and it is hoped that it will continue to grow, both in membership and service to the school.

The officers of this club are:

President . . . . . Bill Crumby
Vice-President . . . . . Bill Allen
Treasurer . . . . . Ben Hamilton
Secretary . . . . . Allen Hancock

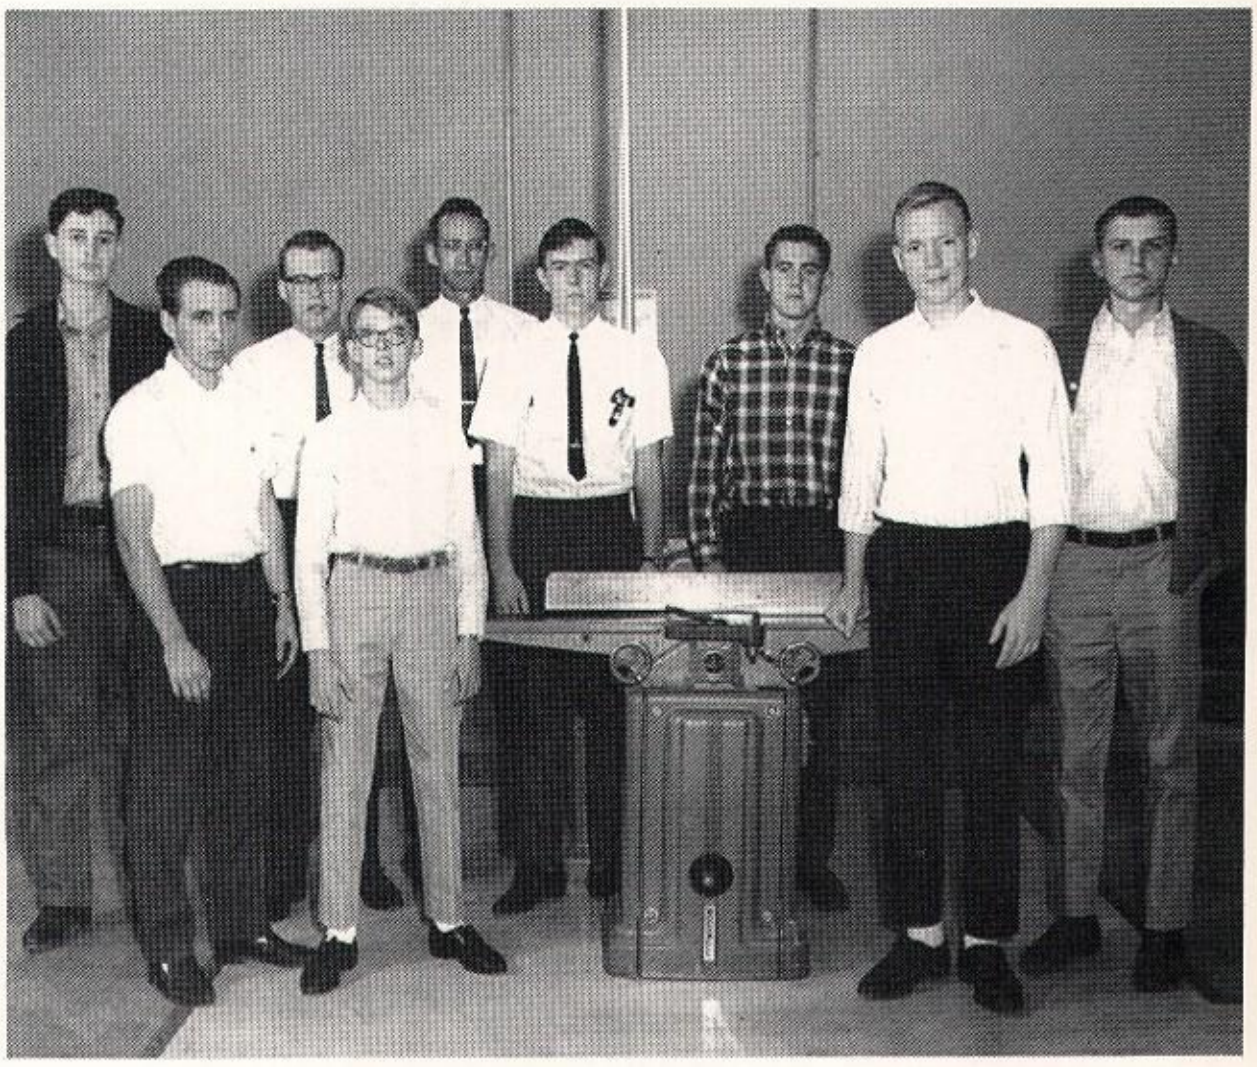
Industrial Arts Club

The Industrial Arts Club holds as its purpose the improvement of shop techniques and practices. One of its projects is the establishment of a graphic arts shop. Perhaps relatively little known, this club is striving for quality, both in work and workers.

Under the direction of Mr. Smith, the shop instructor and technical drawing teacher, this club meets after school in the shop every second and fourth Thursday.

The officers serving this club are:

President . . . . . Jerry Barnes
Vice-President . . . . . Steve Rich
Secretary-Treasurer . . . Pat Cambell
Sgt. At Arms . . . . . Charles Pendygraft



Future Nurses

Future Nurses is a newly formed club. Sponsored by Mrs. Cobb, members meet each second and fourth Wednesday. Their main purpose is to become acquainted with the nursing profession. Through study and hard work, they hope to meet the requirements that would enable them to be a member of the Future Nurses Club of America. They plan to visit different hospitals in the area and try to find a way to help our community.

The officers of this club are:

Jane Fountain . . . . . .President
Cathy Holland . . . . . .Secretary-Treasurer
Ann Buuck . . . . . .Vice-President
Beth Baird . . . . . Program Chairman
Beth Smith . . . . . Activities Chairman

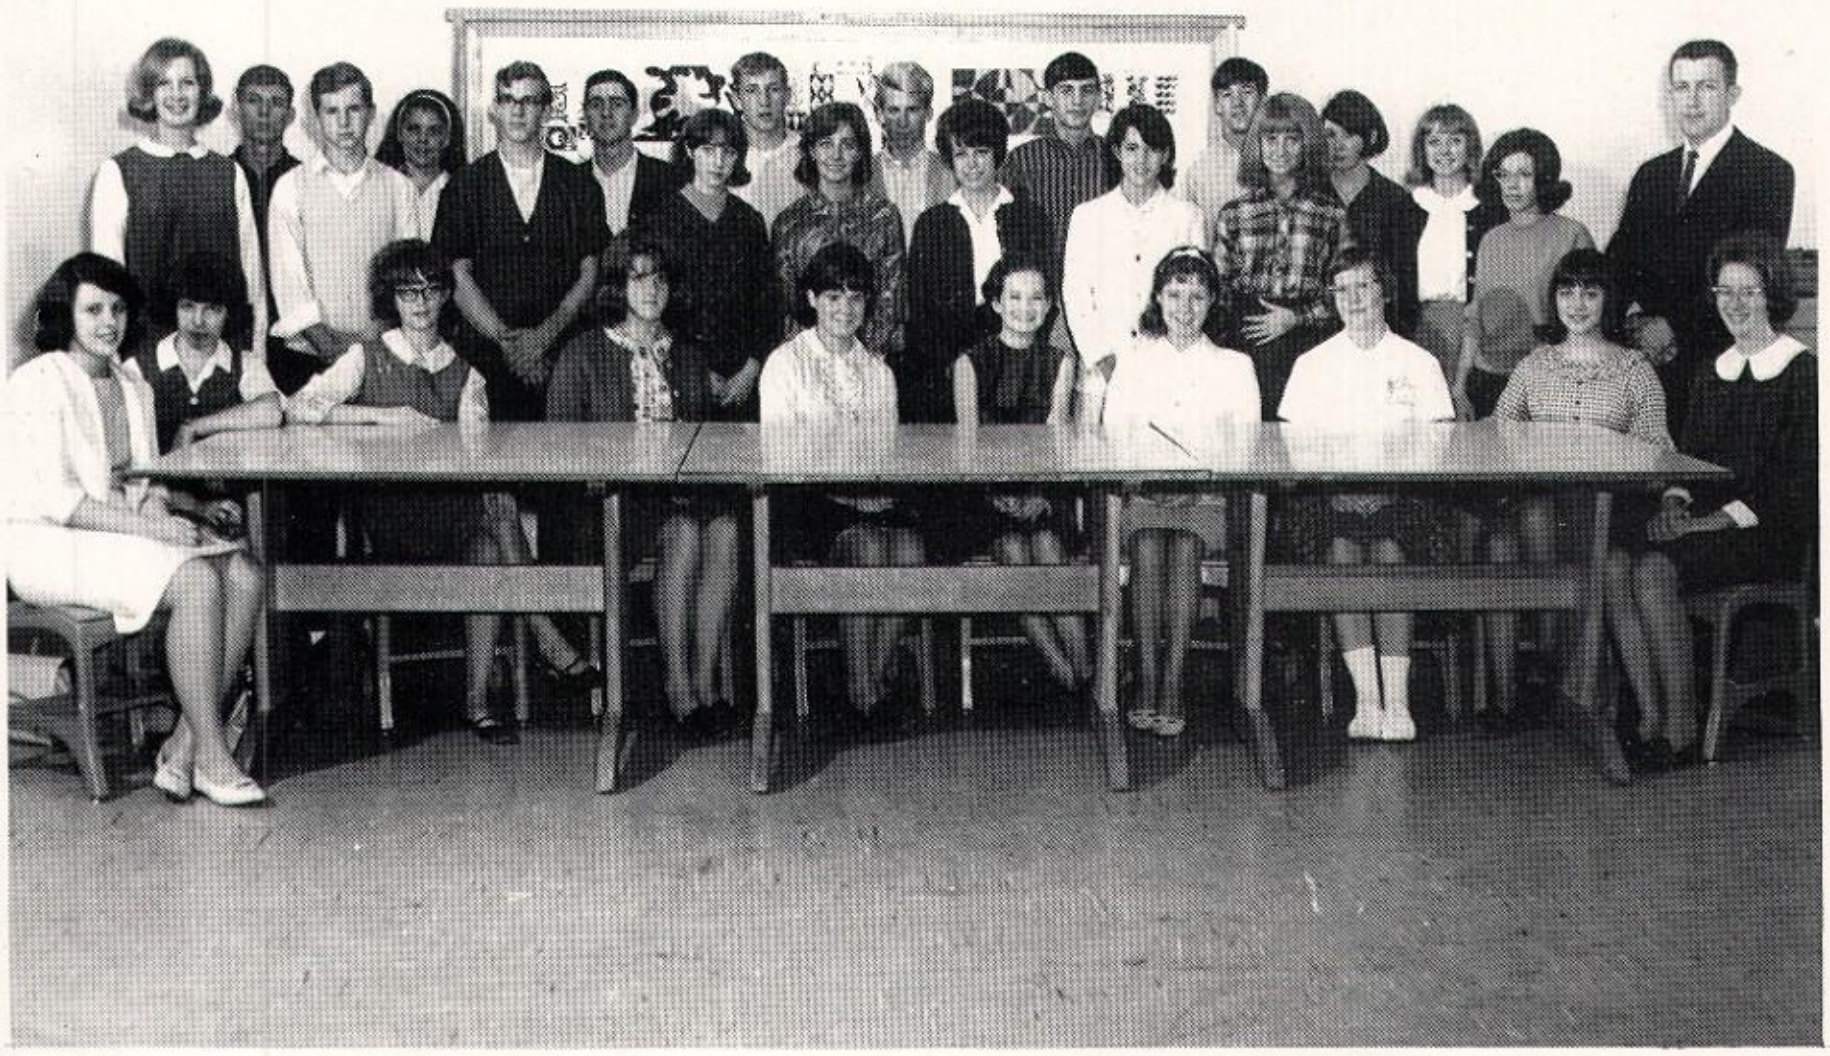
Fine Arts Guild

The Fine Arts Guild, sponsored by Mr. Hollingsworth, meets every second and fourth Wednesday of each month in the art room. The members are hoping to widen and expand the general public's appreciation of art by exhibiting a variety of art media. Their many planned activities consist of several art exhibits, posters for various activities, displays, and seasonal field trips.

During the month of December the Arts Guild was responsible for the painting of a huge nativity scene on the windows above the front entrance to the school. Painted directly on the glass, brushes were used to apply finger paint. The style was interpretive of a stained glass window and brought much enjoyment to viewers during the Christmas season.

The officers of this club are:

Lynn Burkett . . . . . Program Chairman
Skip Marlin . . . . . Vice-President
Sandy Nabors . . . . . Secretary-Treasurer
Connie Parkhurst . . . . . President



Future Homemakers

Future Homemakers, sponsored by Mrs. Jamison and Mrs. Wolff, have met each first and third Tuesday in the cafeteria. Working "Toward New Horizons", these girls have strived for a deeper understanding of themselves, and promoted better family relationships. Interesting activities ranged from the making of puppets for hospitals, to lectures on foreign food.

Officers are:

seated:
Connie Parkhurst . Parliamentarian
Linda Walworth . . .Vice-President
Shirley Atkins . . . . . President
Melissa Schmidt. . . . Program Co-Chairman

standing:
Becky McClinton . . Corresponding Secretary
Jean Kennedy. . . . . .Historian
Aimee Alsup . Recording Secretary
Robbie Jackson. . . . . Program Co-Chairman
Dixie Daughtery . . . . . Reporter

Junior Homemakers

Sponsored by Mrs. Stroube, the Junior Homemakers Club meets every first and third Tuesday in Room 106. Hoping to gain understanding of a purposeful club, the members learn to work together in a civic interest. Making stuffed animals for the pediatric wards of Nashville hospitals has been only one of their special activities this year.

The officers serving this club are:

Shirley Hayes . . . . . President
Julia Harwell . . . . . Vice-President
Donna Corbin . . . . . Secretary
Jan Tomlinson . . . . . Treasurer

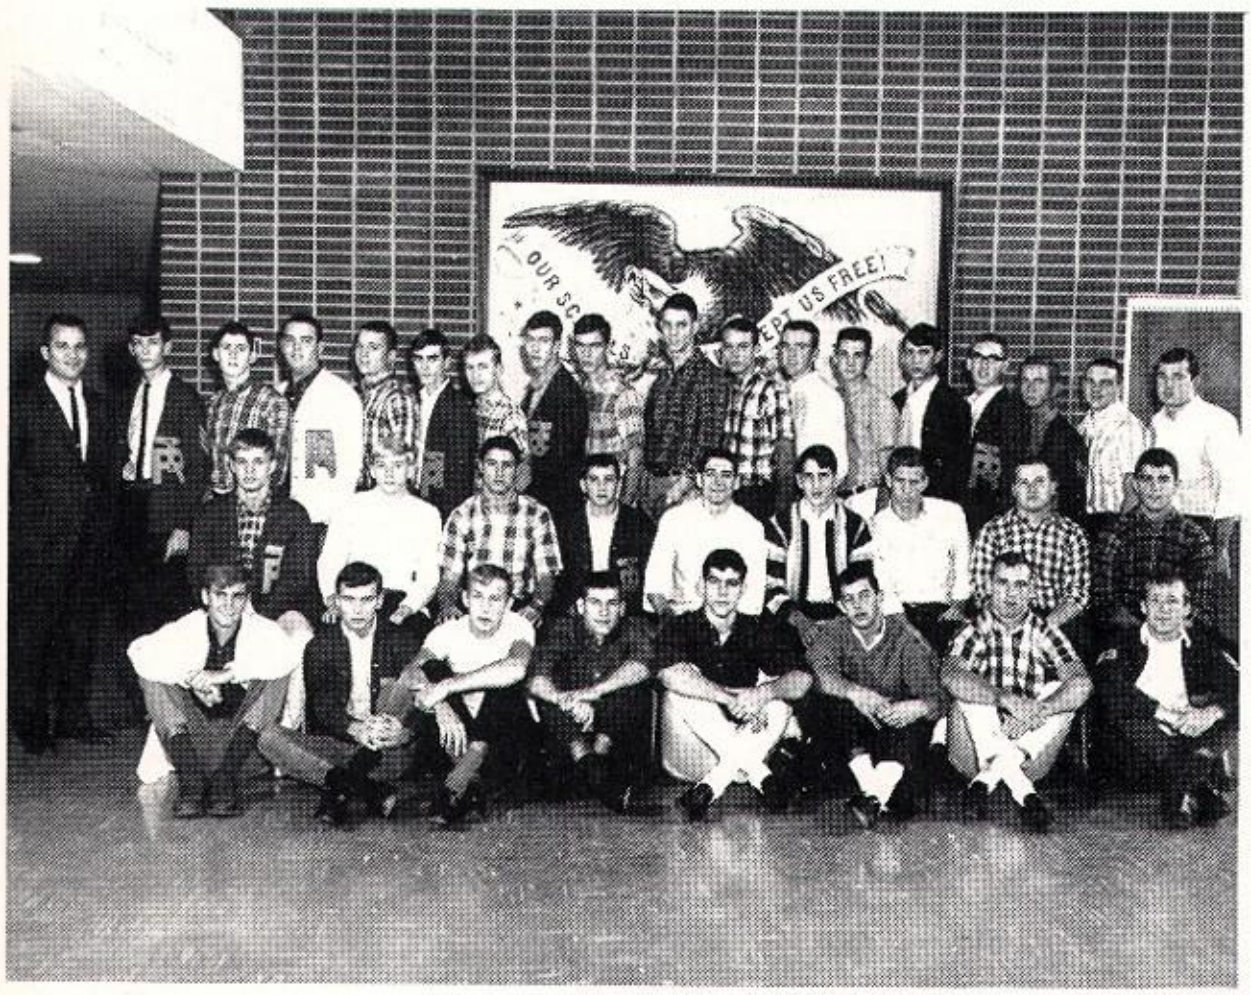
Junior Speech and Drama

Sponsored by Mrs. Spurlock and Miss Baldwin, the Junior Speech and Drama Club helps students gain poise and assurance. It also prepares them for work in the senior forensic program. Their meeting time is each first and third Tuesday in Room 125, where they participate in pantomimes, speeches and plays.

Officers for this club are:

Albert Green . . . . . President
Wayne Steele . . . . . Vice-President
Kay Roberts . . . . . Secretary
Mary Beasley . . . . Program Chairman

Senior Lettermen



Athletics is the spice of life at Two Rivers. Our school has enjoyed a lion's share of victories in having won the Class AA trophy and in participating for two years in post-seasonal bowl games.

Football, however, was not the only area of athletic superiority. The very first Two Rivers golf team captured the NIL Golf Championship. Opponents felt the presence of Two Rivers' might also in basketball, baseball and track competitions.

Those who worked hardest, played hardest, and were most conscientious in their preparation are the ones pictured.

THE CUTLASS salutes these outstanding athletes of Two Rivers.

Junior Lettermen

The Junior High Lettermen are very important people to the Two Rivers athletic program. Training now for future varsity competition, these athletes deserve the full support of the entire student body.

The freshman football team completed its first winning season with a 5-3 record, losing only to Donelson, McMurray, and Antioch.

The junior high basketball team also enjoyed a good season.

Junior Civitan

A true asset to the school, this club strives to encourage within its membership the basic qualities of good citizenship.

The membership meets on the second and fourth Wednesdays of each month in the room of its sponsor, Mr. Terrell, to carry out its business and make plans for future activities.

During this year the Junior Civitan Club engaged in two major projects: the sale of fruitcakes during the Christmas season and, throughout the year, the sale of classical books. The latter project is a great convenience for the student body as well as a money maker for the club.

Working closely with Mr. Terrell in leading the club are the following officers pictured at right:

Dennis Marin . . . . . President
Jimmy Barr . . . . . Vice-President
Aimee Alsup . . . . . Secretary

Y-Teens Club

Without a doubt, this is one of the most active of the new clubs at Two Rivers. Organized in late October of this school year, it is a strong, responsible club led by Mrs. Anderson and Mrs. Malone, the co-sponsors.

The goals of the Y-Teens are: to grow as a person; to grow in friendship with people of all races, religions, and nationalities; to grow in the knowledge and love of God.

Included in this year's list of projects and activities were: the joint Christmas program with the Key Club at T.P.S. for the underprivileged; World Fellowship Fashion Show; workers supplied for Teen Fair Booth; and possibly the achievement of which they are proudest, their success in having the Two Rivers' representative, Mr. Longcore of Pirates' Cove, elected "Man of the Year".

Always striving to improve the club are its capable officers:

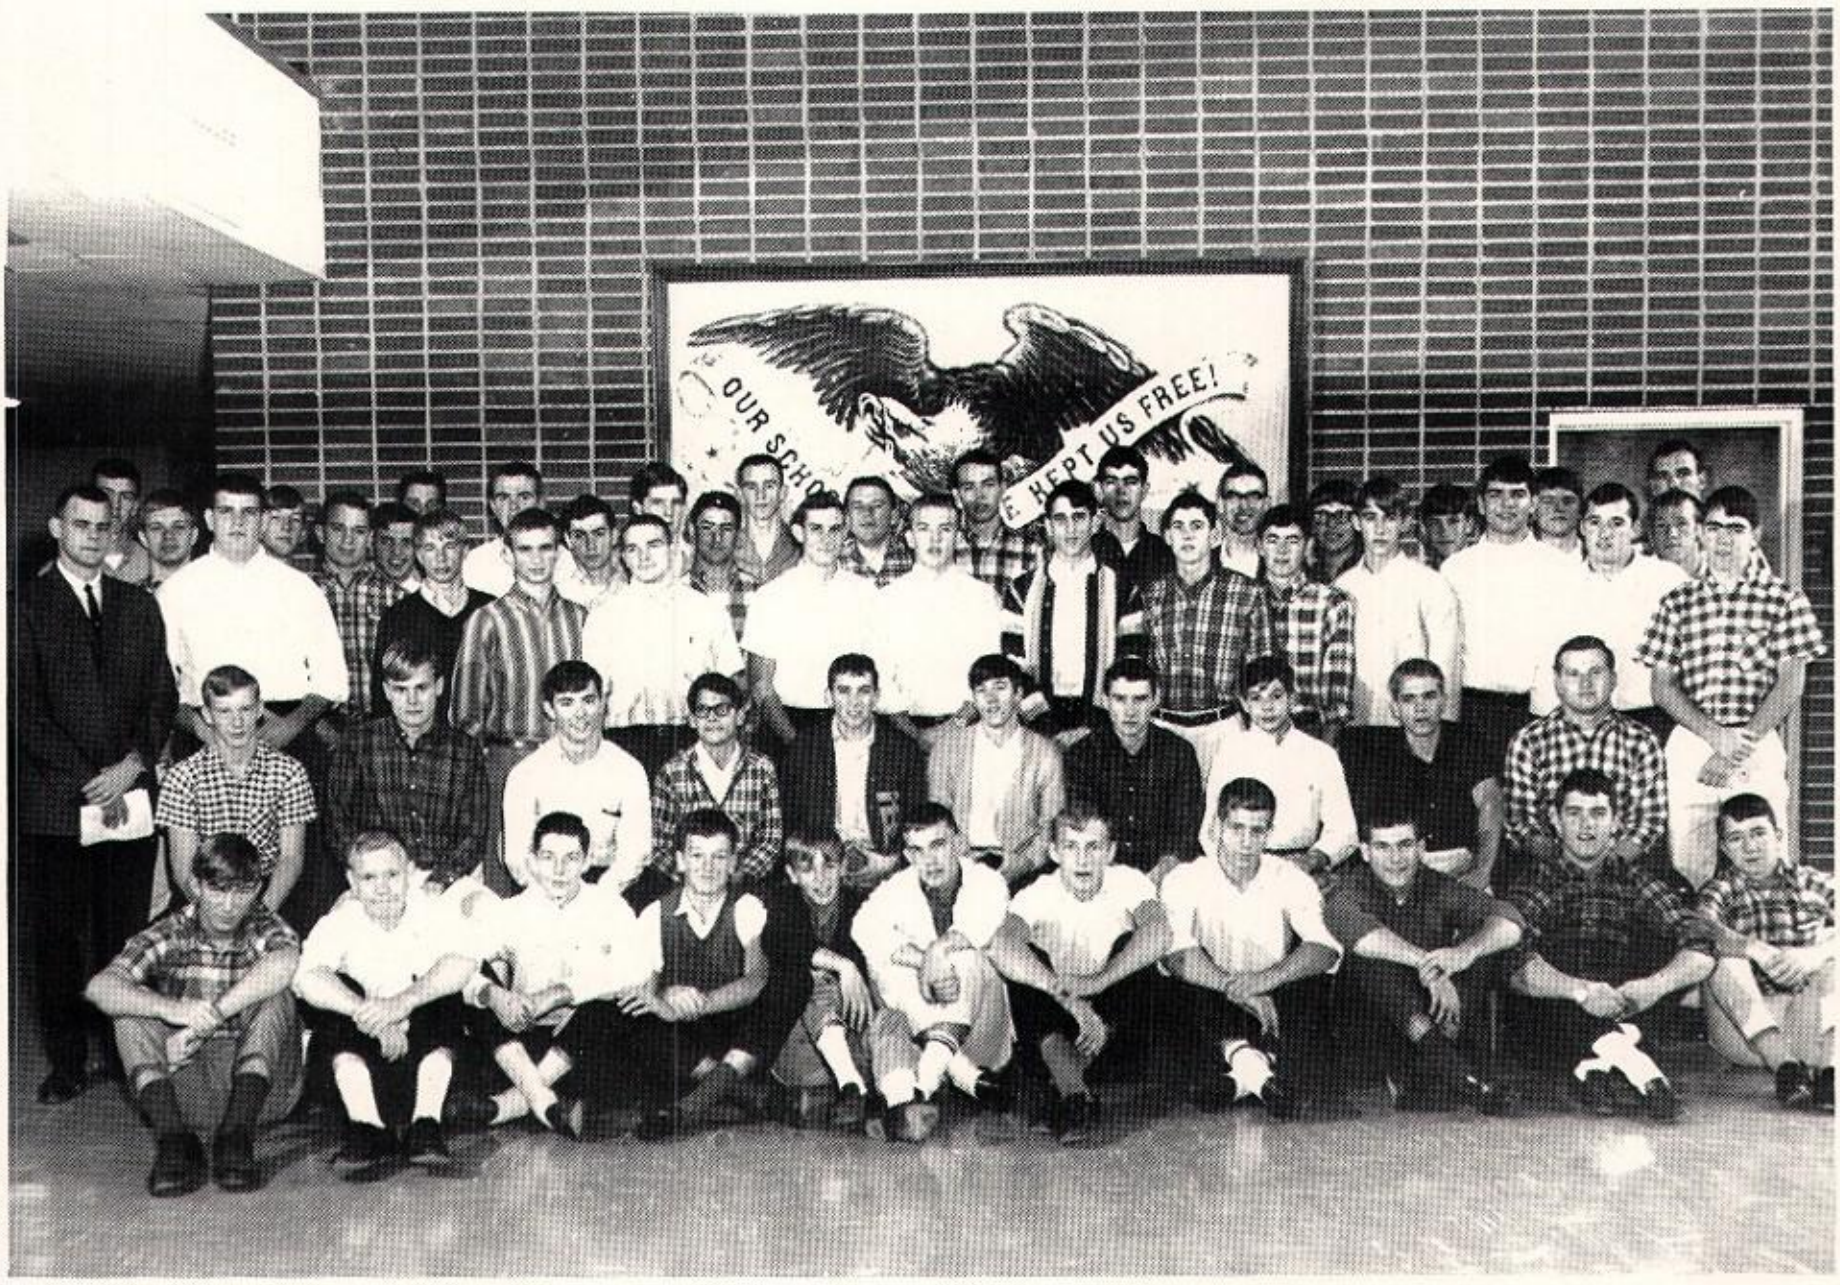
Carol Frazier . . . . . President
Nancy Pewitt . . . . . Treasurer
Debbie Steed . . . . . Vice-President
Ann Batcheldor . . . . . Chaplain
Judy Cathey . . . . . Secretary

Key Club

Backed by the Kiwanis Club of Donelson, the Key Club is another of the important service organizations in our school. It meets on the first and third Mondays of each month after school to plan for its future projects.

Mr. Seay, sponsor of this club, has good reason to be proud of some of the accomplishments. During Christmas a group of Key Club-ers and Y-Teens held a Christmas party at T.P.S. for forty children. Active in this project were Phil Hester, Bobby Hayes, Jack Sweeney, and Roy Duty as Santa Claus.

The Key Club is also responsible for placing the sign in front of the school and keeping it updated. With money raised from car washes in the spring, the group bought new letters for the sign.



Glee Club

The Glee Club, otherwise known as the "Jolly Rogers", is directed by Mr. Meriwether. Meetings are held each Monday evening at 6:30 p.m. in Room 130. This club gives to those girls who have a special interest in choral music the opportunity to perform. They have given many outstanding programs and should be praised for their hard work and enthusiasm.

Officers are:

Debbie Flippen . . . . . President
Carol Stone . . . . . Vice-President
Jean Hartman . . . . . Secretary
Emily Harbold . . . . . Pianist

Junior High Band

The Junior High Band of Two Rivers is a promise of things to come for our school. Hard working, as all musicians must be, they have entered numerous competitions in the Midstate area this year. These meets strengthen the band members and help them grow toward the maturity needed to become members of the Senior High Band. Directed by Mr. Hull, this band will grow into an organization which, someday, will represent Two Rivers well.

For the first time, the Junior High Band marched at this year's junior high football games.

Sandy Rogillio - Signal Major

Although the band has long been a source of pride to the students of Two Rivers, few realize the tremendous amount of hard work involved in having a good band. Many long hours after school are spent by members in preparation for competition and the weekly football shows they present.

The Senior High Band of Two Rivers is, once again, a top-notch contender as evidenced by the following honors: superior rating at the Middle Tennessee Marching Festival held in Columbia, Tennessee, an "A" rating at MTSU Marching Competition in Murfreesboro against out-of-state competition. Two of these, Sandy Rogillio and Jim Wolfe, placed in the All-State Orchestra. Alternates are: Linda Nelson and Dugg McDonough, seniors; Skip Morris, John Jones and Chris Laird, juniors; Joey Mehaffety, Mike Miller and Walter Steele, freshmen.

PIRATES ROMP T.P.S.

The Pirates, defending AA champs, opened the 1965 season on a winning note by defeating T.P.S., 41-0. Kenny Callis paced the offense by gaining 97 yards in 6 carries including a 60 yard gallop early in the first quarter. The Pirates pulled ahead 29-0 in the first quarter and coasted through the game with two more T.D.'s late in the second half. The Pirates displayed a balanced offense while the defense showed its strength also. Defensive standouts were Tommy Locke with 12 tackles and 11 assists, and Terry Reeves with 11 tackles and 10 assists.

BUCS DAZZLE CUMBERLAND

After a running show against T.P.S., the Bucs cut loose with a dazzling aerial attack against Cumberland. Maxwell put T.R. ahead with a 12 yard pass to Donald Johnson early in the first quarter. The longest gainer of the game came in the second quarter when Maxwell passed 70 yards to junior Chuck Smith. A junior quarterback, Jim Maxwell, in only his second start of the season, completed 8 out of 10 passes for 121 yards. Cumberland scored late in the fourth quarter but presented no real threat to the Pirates who captured their second win of the season.

TORNADOES FALL TO BUCS

Maxwell's accurate arm led the Bucs to their second shut-out of the year by blasting Central's Golden Tornadoes 19-0. Maxwell opened up with another passing show by connecting to Johnson with a 3 yard pass for the Bucs' first score. Cauthen showed his kicking skills and put the Bucs ahead 7-0. Maxwell hit Johnson again for a 40 yard gain in the second quarter to run the score up 13-0. The third T.D. pass and final score of the game came in the third quarter when Maxwell again took to the air and completed a 20 yard pass to Callis. Maxwell completed 8 to 14 passes for 114 yards, while Wright charged for 113 yards in 13 carries.

PIRATES TAKE OVER AA LEAD

The Pirates, tied with Maplewood for the AA championship, came back strong after one defeat. Kenny Callis put the Bucs ahead in the first quarter with a 3 yard plunge but it was the fourth quarter before the Pirates could score again. A 40 yard interception T.D. by Paul Baird and a 14 yard pass to Von Boeckman put the Bucs ahead to stay 20-0.

PIRATES FALL TO NO. 1 TEAM IN STATE, 7-0

The Dons had been rated the number one team in the state the week of the Pirate-Don game, but the Pirates were ready for them. The Pirates played, in the opinion of some, their best game ever. Both teams had long drives throughout the game but couldn't score. In the 4th quarter, the Pirate defense held the Dons within the T.R. one foot line for four straight downs. After the goal line stand, the Bucs gained control of the ball but a 3rd down interception put the Dons in control once more. With a minute and 33 seconds to go, Donelson passed for the T.D. The 7-0 loss was a bitter pill for a hard-working football team.

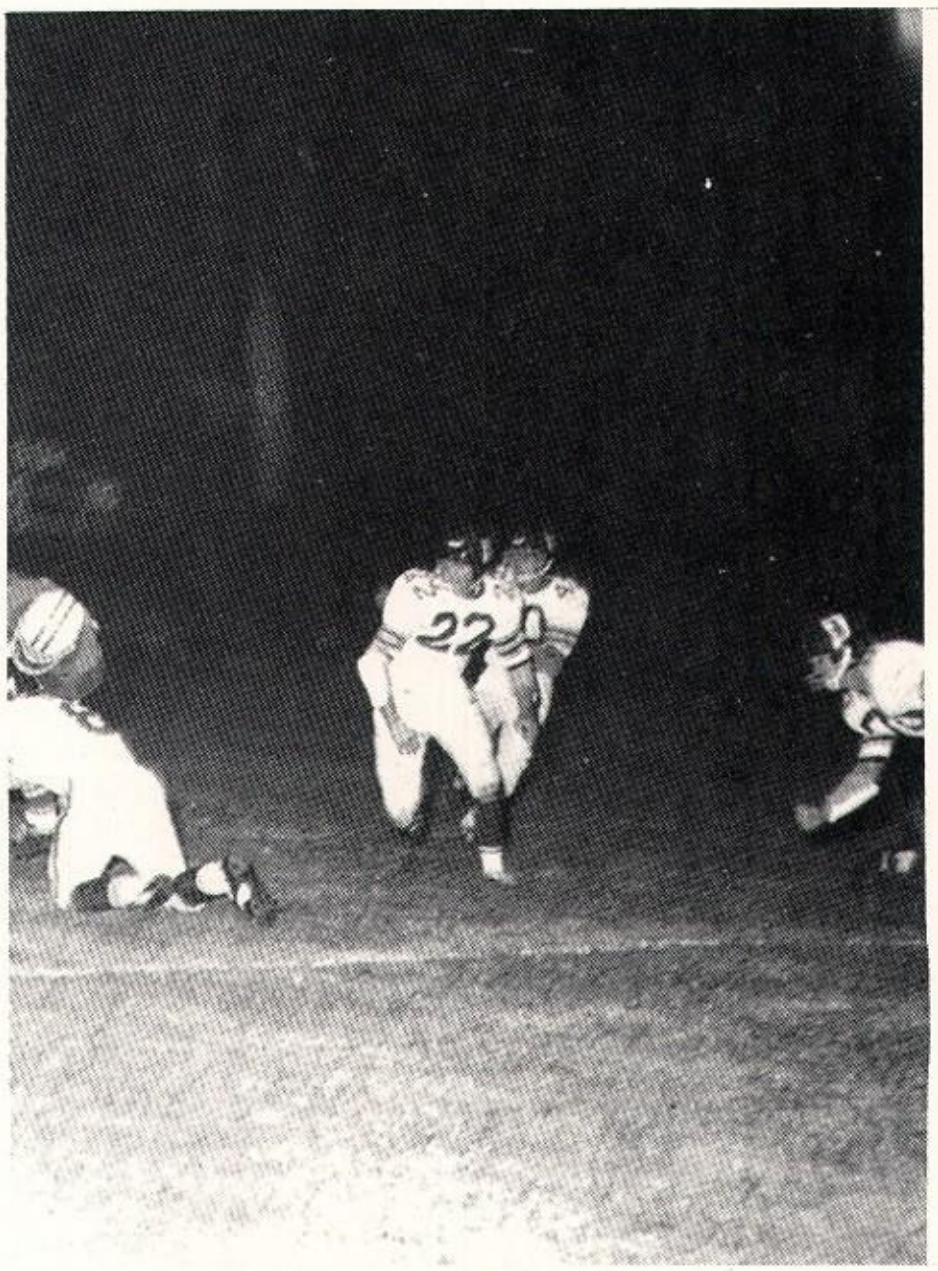
PIRATE DEFEAT SHUTS OUT BULLDOGS

The Pirates, with a one-game lead in their class, displayed their championship abilities with a 27-0 win over Dupont. T.R. went ahead 6-0 on a 26 yard pass play in the first quarter. Scores in the second, third, and fourth quarters, all on running plays, put another class AA win under the Pirates' belt. The defense led by Locke, Reeves, and Chuck Smith, with two pass interceptions, held its foe scoreless for the fourth time in a year.



BUCS OVERPOWER AAA FOE

The Bucs, having no trouble with teams from their own class, next met a strong AAA team from West. The Bucs proved with a 40-0 romp that they were a match for any N.I.L. team. During the first quarter there was no scoring and the teams seemed balanced. During the second quarter the Bucs broke loose with two touchdowns to take a 14-0 lead. The Bucs came through with two touchdowns in the third and fourth quarters while the defense held West in checkmate.

STRATFORD SLIPS BY BUCS

Two Rivers, with a commendable record of six wins to only one loss, was fired-up to meet its oldest rival, Stratford. The Bucs, weakened by the injury of their kicking specialist, Dwight Cauthen, played hard but the Spartans slipped by with a 13-12 win. Both Stratford and T.R. scored early in the second quarter, and Stratford again late in the second, to give the Spartans at half a 13-6 lead. The Bucs came back strong in the third and charged for 6 but the point-after attempt failed. In the fourth quarter, neither team could score so the Bucs fell to their AAAA rival 13-12.

PIRATES CLOBBER YANKEES

The Bucs with a 4-1 league record came up next against the Yankees from North High School. The balanced Pirate offense showed its strength once more, while the defense led by Locke and Reeves, held the Yankees to only twelve points. A pass and a short run in the first quarter put the Bucs ahead. Three more runs and another pass play late in the game gave the Bucs their fifth league win, 38-12.

PIRATES SLASH COMMANDOES

The Class AA championship assured, the Bucs went to Hendersonville to meet the Commandoes. The Pirates ran up their highest score of any game in their history. A 47-13 win gave an impressive ending to the 1965 season.

Two touchdown passes by senior Roger Byers and an interception by Wright accounted for 3 touchdowns while Maxwell passed for 3 more T.D.'s. The Pirates, after their showing against Hendersonville, accepted the invitation to play B.G.A. in the Metro Bowl.

BUCS TIE IN METRO BOWL

After finishing the season with a record of eight wins and two losses, the Bucs took on a strong team from Battle Ground Academy. At half, the score was 7-7, but in the third, B.G.A. pulled ahead 14-7. There were only 3 minutes left in the game when a 6 yard run by Callis tied the score.

The 14-14 tie marked the end of a great Pirate season. The final record of 8 wins, 2 losses, and 1 tie would be a splendid performance for any squad.

Billy,
Lots of luck next year. I hope Chet gets off your back about your hair.

Doug

Billy,
I have only been here a few months, but in those few months I considered you a great friend of mine. I know I will see a lot of you this summer at the bowling alley. Keep it cool, and keep cool!

Best of luck,
Lynn

We the editors of the 1966 CUTLASS wish to express our thanks to the following people:

Mr. E. R. Dismukes, who made available for us the use of the Life and Casualty Building for photographs

Mr. Bob Hollingsworth, who designed our cover and gave us much advice about the book's lay-out

Mr. John McEntire, our Delmar representative, who helped us in numerous ways

Mr. Garland Russell, who kindly loaned us his typewriter

Mrs. McCarter, who generously allowed us to use her room and typewriters to meet our deadlines

Mrs. Jones and Mrs. Brooks, who allowed us the use of the library

Mr. and Mrs. William R. Johnson, who permitted us the use of their home for pictures

Skip Marlin, who graciously gave many hours of his time to work on the annual

Mrs. Davis and Mrs. Miller, who were indispensable to the annual staff in countless ways

the faculty members, who excused students to work on the annual

Jimmy Davis of the Nashville Tennessean and C.B. Fletcher of the Banner, who provided us with many sport pictures

Mrs. Lovegrove, our sponsor, who kept the routine of the annual running smoothly

the staff members, who worked diligently and made this annual possible

Billy,
Well this year has been right fun, especially with your chaufforing. Remember all the times we talked about Rocky. Well anyway. Be Good.
Janice (Budleg's)

Billy,
You're a real neat kid. I'm with your personality and sure'll be making friends where ever you go. Can't this old world. Beat it while you're at it.
P.S. See you this summer.

Billy,
It's been real great writing you. Remember all of the classes we've had together. Have lots of fun in everything.
Be good!

Reserved for Carol

Billy I don't know hardly what to say. except, your a great guy. I hope we'll always be close freinds. This summer will be great, I know it will. You are wonderful & I think the world of you. I haven't known you very long but, you mean alot to me. If their is any one in life who deserves everything good that's you. I think you've got a great future ahead of you. With you personality & good looks, it want be hard for you to make freinds & keep them. That's is the most important in life is to make freinds. No matter what happens between us, I want us to always to be friends. You are really a wonderful boy & in the future I want to see more of you. I want to wish you all the love in the world & I hope you keep a little warm spot in your heart for me. If you ever have any problems with any thing remember I am always there to help you. Don't forget that I love you & I want the very best for you. I hope things don't change between us & we will will stay together a long time in the future. Be good!

Lots of love
Rock On

Love
Carol

To Billy

You're a good old
guy. Hope the Junior
class has as much fun as
we did. Be good

Tommy

Billy Buns,

To my best friend, who is very talented and very silly at times. Its been a great year at school with you. We have been in lots of trouble and have loads of fun together this year, as we will continue to in the future. Don't forget how to answer the phone over the summer "Hello!" I also feel it is a great honor for you to be my friend, but as in all things it is a greater honor for you to be my friend seeing as how great I am.

And you also being a Latin scholar have helped me greatly with my homework remember you owe me a penney a minute for your help. In conclusion remember me over the summer, since you won't see me but everyday, and keep Carol on the hook because you need that Good Lovin.

" yours very deeply and sincerely "
your pal, pest, freind, buddy
and most valuable acquaintance
Ricky "the Great" White

P. S.
Remember to practice your guitar until you are as great as me, which will probably take you forever. (HA HA!)

Billy, I've been a great friend and I think you're a wonderful person. You're very good looking and sweet, and very talented. Stay that way and Rock On!

Love,
Connie Eaton

To a neat guy
lots of luck
